Thank you for your generous sponsorship. All funds received from your support are directly invested in the care of the animal you selected. While each animal receives love and attention, it is your kindness that enables us to provide them with the extra special care they truly deserve such as new toys, new enrichment items, treats and more. We greatly appreciate your generosity.

This sponsorship includes an animal encounter for you and one guest! An animal encounter is a one-on-one interaction with our animals and a zookeeper. You get the opportunity to interact with the animals while learning all about their species, personalities and more. We offer various types of animal interactions. We do not force our animals to partake in any interaction, we cannot promise that they will want to take part that day but most of the time, they will because they love people as much as people love them. To book your animal encounter please call us at 989-624-6177. Ask for Jeremiah Tietz or Kelsie Bailey. They will schedule your booking and tell you which animals are available for interactions. We look forward to seeing you again for your encounter! Thanks again and see you soon!
